

Magazine / Journale

(Noch nicht mal ansatzweise komplett. Wer will: gerne weiter entwickeln.)

Wichtige Journale und Publikationen

Hervorragende Liste der wichtigen Games-/Game Studies-Journale

- <http://www.tesolgames.com/game-journals/>

Games and Culture (G&C) International journal promoting innovative theoretical and empirical research about games and culture within interactive media

- <http://gac.sagepub.com/>

Simulation & Gaming (S&G): An International Journal of Theory, Practice and Research

- <http://sag.sagepub.com>

Gamestudies.org – The international journal of computer game research. Academic articles, some slightly shallow.

- <http://gamestudies.org/>

G.A.M.E. – The Italian Journal of Game Studies. Interesting and new. Dedicated to a comparative, critical and theoretical analysis of videogames.

- <http://www.gamejournal.it/>

Indiegames.com – The Weblog. Just interesting articles, not academic.

- <http://indiegames.com/index.html>

American Journal of Play

- <http://www.journalofplay.org>

Journal of Game Design and Development Education

- <http://www.rit.edu/gccis/gameeducationjournal/>

Information Design Journal

- <http://benjamins.com/#catalog/journals/idj/main>
